Data Backup

We take the backup of your data very seriously, we made a free backup tool that ships with StoreApp to ensure that your data is protected at all time.

Online option is
Available at ~~₱~~25,000
per outlet per year.

Your data will be automatically uploaded to our secure cloud storage over the internet.

If you don't have facilities for online backup, you can get an external drive to keep your data safe. The important thing is to have an alternate storage for your backup files.

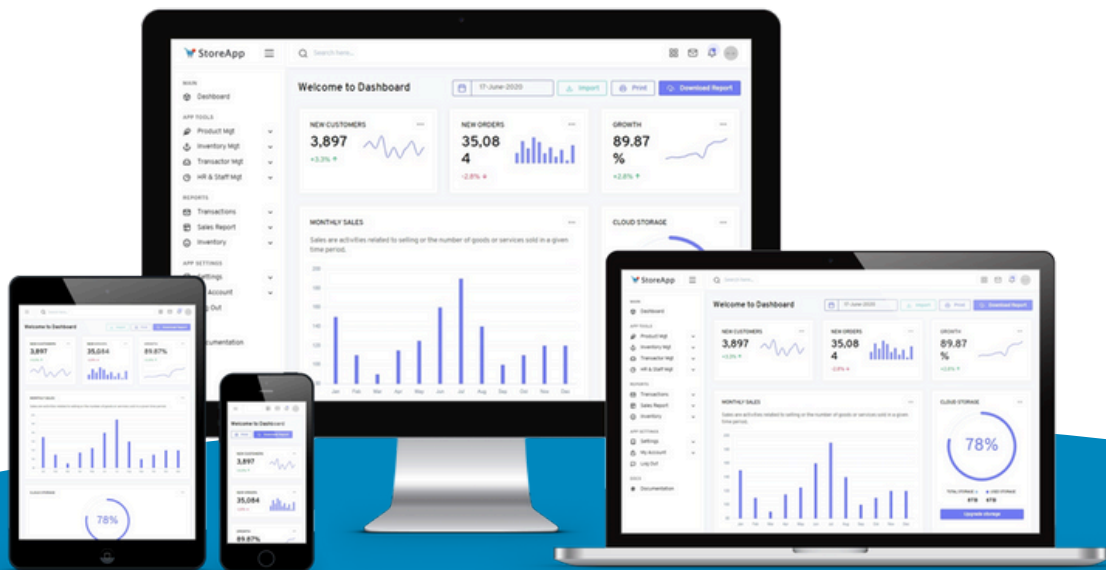

StoreApp is designed to reveal the current state of health of your data, so that you can take necessary actions towards safe-guarding it.

IT IS YOUR RESPONSIBILITY TO KEEP YOUR DATA SAFE.

Online Access to your Business

StoreApp gives you unrestricted online access to your business from anywhere, at anytime on any internet enabled device.

If you have more than one outlet, you can connect them together with our Multi-Outlet service for a more central management

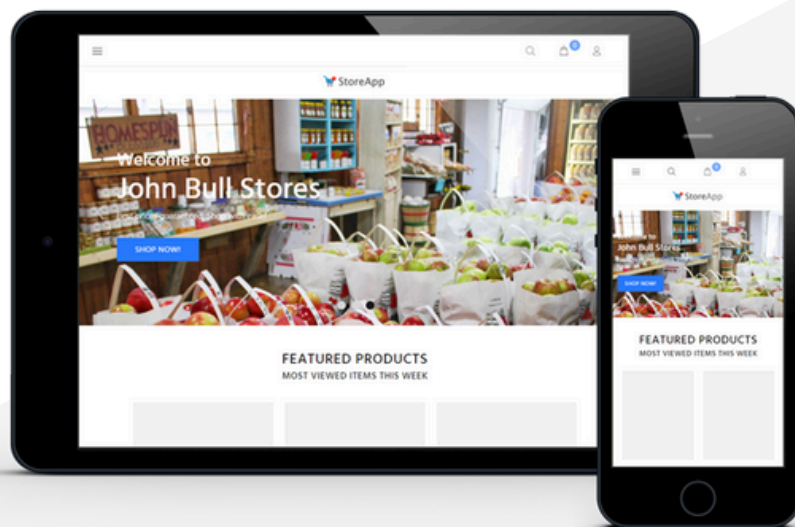

The price for this cloud service is at
¥59,500 per year or **¥6,500** per month.

for multiple outlets, every additional outlet costs
¥17,000 per year or **¥2,600** per month.

Sell to anyone, anywhere at any time.

With our integrated e-commerce service, you can reach customers outside your locality.

LITE PACKAGE

Fully functional e-commerce website with your existing domain name.

₦100K
per year

EXTENDED PACKAGE

Fully functional e-commerce website comes with .com domain name.

₦150K
per year

Terms of Use

Please read these Terms carefully before agreeing to use the STOREAPP software and other STOREAPP associated tools which are provided as part of STOREAP business tool developed and maintained by Clearwox Systems. Your access to and use of STOREAPP and/or its related business tools is conditioned on your acceptance of and compliance with these Terms. If you disagree with any part of the terms then you may not use the STOREAPP software.

PURCHASES

- Purchase of any of our Package/Plans is subject to any constraint or restriction indicated in the pricing document.

PAYMENT AND SUBSCRIPTION

- Any Payment terms agreed between you and us (Clearwox Systems) for the purchase of STOREAPP software shall be considered binding and shall be strictly adhered to.
- License for the usage of the STOREAPP software shall be generated by Cleawox Systems in accordance with the payment term agreed upon.
- Some parts of the STOREAPP Services (such as the online BI and reporting services and the e-commerce services) are billed on a subscription basis. You will be billed in advance on a recurring subscription charge for any service(s) if you wish to use any or all of them.

REFUNDS

- We do not issue refunds. Please note that we provided every necessary information to aid your decision. If you need help deciding whether StoreApp is right for your business, contact our team or any of our materials.

DATA BACKUP

- It is your responsibility to ensure that your data is backed up and kept safe. We will not be liable for any loss of business records/data arising from theft, system damage, fire incident or any natural or accidental cause.

CHANGES

- We reserve the right, at our sole discretion, to modify or replace these Terms at any time. If a revision is material, we shall provide you at least 30 days' notice prior to any new terms taking effect. What constitutes a material change will be determined at our sole discretion.

USAGE AND MAINTENANCE

- Purchased STOREAPP software shall be used only in one registered outlet and is non-transferable to another outlet or another business entirely.
- The STOREAPP software shall require a compulsory upgrade once every four months. Failure to upgrade the software within the stipulated time will cause the software to stop functioning until an upgrade is carried out.
- All plans except the subscription plan require a mandatory annual support and maintenance plan. You can choose from any of our support and maintenance plans, which cover regular software upgrades to StoreApp and associated tools, as well as access to StoreApp support channels.
- The software upgrade/maintenance fee does not cover maintenance and/or repair of any hardware (such as computers, printers, etc.) or services (such as network services) that are required for the operation of STOREAPP and its associated tools.
- Every customer is entitled to one free server change per year. Additional server change within the year will be charged at the standard rate. A year is defined as period between 01 January and 31 December.
- Should any incident occur that warrants a repair of any of the hardware or service as described above or reinstallation of STOREAPP software after a successful initial installation, installing on additional computers, you may use the service of any trusted professional or request the service of any of our support agents at a cost billed by Clearwox Systems.
